

## How can I view older recordings?

**Environment** GoToMeeting

**Answer** In order to view a recording that was recorded on an older version of GoToMeeting, the necessary codec will need to be installed.

- [GoToMeeting Codec Version 2 \(G2M2\)](#)
- [GoToMeeting Codec Versions 3 and 4 \(G2M3/4\)](#)
- [GoToMeeting Codec Versions 4 and 5 \(G2M4/5\)](#) (current)

**Additional Information** Note: GoToMeeting will need to be uninstalled prior to installing the old codec file
