

Dear NAHCR Colleague:

In today's budget-conscious health care environment, it can be challenging to justify professional membership expenses to organizational leadership. However, NAHCR remains the only professional association dedicated exclusively to delivering the specialized education, resources, and connections needed to help you excel as a health care recruitment professional and leader in your field.

I invite you to join or renew your NAHCR membership today and take full advantage of valuable member-only benefits, including:

- Stay current with industry trends while earning continuing education credits through **free educational webinars on health care recruitment topics** (a value of up to \$750 annually).
- Connect with fellow health care recruiters to share best practices, innovations, and solutions through our **online community and quarterly virtual roundtables**.
- Receive **discounted registration rates for the NAHCR Annual Conference**, where you can strengthen professional relationships, learn cutting-edge recruitment strategies, and engage with industry partners offering practical solutions to everyday challenges — *members save \$198!*
- Stand out and showcase your expertise by **earning the Certified Health Care Recruiter (CHCR) credential**, with discounted exam fees available exclusively to NAHCR members — *members save \$145!*

Additional benefits include staying informed on the latest opportunities and challenges shaping health care recruitment through *NAHCR News*, our bi-weekly members-only news digest, as well as opportunities to expand your professional network through volunteer leadership roles, committee service, and access to exclusive members-only resources.

Your NAHCR membership empowers you to bring new ideas, proven strategies, and innovative approaches back to your organization while advancing your own professional growth. Investing in NAHCR supports more efficient practices, stronger outcomes, and continued success in a rapidly evolving industry.

Don't miss these opportunities — join or renew today.

Sincerely,

Melissa Wheeler, CHCR, RACR
NAHCR President
